He said he recognized people by the way they walked, as he couldn't make out faces. He accomplished most things by feel. The teacher where he started school said she did not have time to teach a blind person in her 1 room schoolhouse and sent him home. In his late teens, after treatment, he was able to see and taught himself to read and sign his name. He did arithmetic faster in his head than the rest with pencil and paper. He worked for a dollar a day, then farmed on the shares and finally in 1941 bought a farm of about 200 acres already furnished with tools, horses, and some livestock. He plowed and prepared people's gardens in Clarksburg IN 2 1/2 miles from his farm and did other odd jobs to make enough money to get by. He accepted other's horses and broke them to work. Eventually he bought a tractor and before his heart attack at 55 he was farming about 200 acres south of Andersonville, IN plus renting 500 additional acres for \$800 per year. He loved coon hunting and the last year I hunted with him we caught 64 coons. His dog Madge took the World Championship in the Arkansas Field Trials after he sold her to another guy.

As a Missile Maintenance Officer he worked along the norther tier of States and yearly he and his assistant traveled to Vandenberg AFB, CA where they fired a missile from the base to the Kwajalein Atoll thousands of miles across the Pacific to land in the atoll lagoon where it was retrieved and returned to the States. A few years prior to retirement he transferred to Vandenberg AFB.

Provided by Douglas Richard Baker:

Captain Marion K. Baker, thank you for your dedication and service to our Heavenly Father, to our family, and to our great country that we are privileged to call our home. You have run well the race that was laid before you, and it is now time for you to rest while we endeavor to follow in your big footsteps. You will be missed!

Thank you for remaining vigilant at you're post of duty; for it was you and other Minutemen like you that stood as lone sentinels on the front lines waging a mostly invisible Cold War, charged with faithfully maintaining the peace that many others before you bled to purchase for us all.

Thank you for being willing to be called away at a moment's notice from baseball games and school plays and church potlucks and restful nights in a warm bed with your sleeping wife... to suit up and travel, often through snow and ice, to isolated concrete and steel silos buried under the fields of America's Bread Baskets. While we played, while we slept, while we built and while we dreamed... while we studied to prepare ourselves for our individual and important callings in life, USAF Missileer's, and the legions of airmen that supported their efforts, willingly served under lonely and harsh conditions to fight a war against an unseen and thankfully as of yet unnamed enemy. Sure, many built bunkers and many of us practiced drills in the event of a nuclear attack. But only a few held the keys, in calm and steady hands while bearing daily the awesome dread, that would unleash the wrath and the might of a nation as it recovered from a mortal wound in the event of a strike against her.

Thank you for the early morning calls to rise so that we could gather together and to commit the Words of God to memory and commit ourselves anew each day into the protective hands of the Almighty, not knowing if this might be our last day. Thank you for standing guard to hold back the wrath while I found myself in the volume of the book as it opened before our watchful eyes... Thank you for your service as our father and as a husband... Thank you for your labors as Sunday School teacher and for serving as a church deacon at our postings in 11 States in the US... Thank you for the backpacking trips and the annual trips to the grandparent's homes and farms where we picked wild berries and played in the corn fields... Thank you for caring enough to correct us when we were wrong... Thank you for taking in those in need, thereby teaching us to do the same... We understand that your life of service meant that we couldn't always have the time we wanted with you. We also understand that it meant that you donated your time that you could have otherwise have spent seeking pleasure for yourself.

And so we all with heavy hearts say to you a final time "farewell" and we say to you "well done." And I want to personally say to you "until..." Thank you Captain. Thanks papa.

She served as the chairman of various committees responsible for fundraising and charitable contributions to the military and local communities. Deanna was recognized for her exemplary service and honored as the recipient of the 1972 Military Wife of the Year award at Grand Forks Air Force Base, ND.
