Notes for Chrystal Lucille Couch 0:

Lucille and her family were watching fireworks on July 4, 1949. After the show, she couldn't get up. Once they got her home, a doctor was summoned to the house and he began treating her over the next 2 weeks for a "summer flu." When she didn't get better, they took her to the hospital where they diagnosed her with polio. The family was told if she had gone another week she would probably have died.
